Monsters of Yacht

Monsters of Yacht® from Nashville TN is America's premier tribute to the *Yacht Rock* Genre. This fast growing band has planted its flag firmly into the look and sound of smooth music from the 70's to the early 80's. **Monsters of Yacht**® delivers rocking recreations of songs from artists like Christopher Cross, Doobie Brothers, TOTO, Robbie Dupree, Player, Hall & Oates, Steely Dan, Gerry Rafferty, Boz Scaggs, Bee Gees and more. The band also adds additional songs from artists like Neil Diamond, that are not technically "yacht", yet positively add to the event and experience. Musicians agree that Yacht Rock music is challenging to accurately recreate live & this band handles it!

Monsters of Yacht® has toured from coast to coast performing at events ranging from large festivals, exclusive private events in THE legendary Bel Air California neighborhood, to household-name top national corporate executive events held at the most upscale Atlantic coastal resorts. The band's members are professional and the show connects with audiences. This is evident in testimonials from many satisfied buyers hosting high caliber events.

P.S Dump Your Boyfriend

THE PREMIERE PARTY BAND OF THE MIDWEST!!

PS has been knocking the socks, shoes, pants and halter-tops off mid-west club goers for years with no real end in sight. With the emphasis on performance, PS has raised the bar for all other acts by setting attendance records at nearly all of their venues. The seamless show of non-stop entertainment is no accident. PS has been known to say "first we must entertain ourselves, we came out tonight to try and have more fun than the audience" This seems to be a never-ending battle with both sides victorious. This multimedia show with pfreaky and hilarious video clips, is woven into a rambunctious cocktail shaker of Top 40, Pop, Rock, Dance, Hip Hop, and everything else under the sun up to, and including the proverbial kitchen sink!

RPR Entertainment

RPR is a musical duo consisting of Ryan Pfeifer & Pete Riddle. This duo has a combined 50 years of playing music and entertaining crowds of all sizes. RPR delivers an electric performance from start to finish playing anything from Tyler Childers to Prince. During the set, expect to hear some original tunes as well. Ryan's first recording project out of Nashville peaked at #108 on the iTunes country charts. Their set list of high energy music mixed with slow belting ballads is perfect for your events, restaurants, private parties or whatever type of party you are hosting.

Jed Guilluame

Born and raised in the small town of Leopold, Indiana, Jed has been performing his music for local audiences for four decades. As a child he developed an ardent love for music, and would eagerly sing to anyone who would stand still long enough to appear to be listening. Singing and playing at every opportunity he pursued his passion, honed his skills as a guitarist and developed his style as a vocalist. Though he has performed with a number of groups over the decades, he has in recent years performed extensively as a solo artist, singing and picking his guitar for audiences across the tri-state.

Jed currently plays lead guitar and provides lead vocals for the band "Sweetwater", in addition to performing as a solo artist. His rich voice and instrumental talents are expressed in a diverse song list that includes blues, classic rock, easy listening as well as country standards. Jed has an unmistakable passion for music and delivers great musical entertainment for audiences of all ages.

Leo Gronquist

Long-time local performer and favorite, Leo Gronquist, will return with his “feel-good” musical talents to the Schweizer Fest stage.
