

Friday, August 9th
Noon – 4 p.m.
Tell City Historical Society Museum

Be sure to visit the Tell City Historical Society during Schweizer Fest. Reminisce on years past and moments from long ago if you are a resident of the community. If you are new to the city or just visiting, you'll want to stop by to learn about Tell City's vast history, how we've evolved, and truly understand why we "Pick Perry"! Whether you're looking for a family fun outing, or if you're just a history enthusiast, we've got something for everyone at the Tell City Historical Society. *Located at the corner of 9th & Franklin Streets*

Added to the exhibits this year is a collection of professional and personal items to commemorate the life, service, and courage of Tell City Police Department Sergeant Heather Glenn, who was tragically killed while serving the Tell City community on July 3, 2023. A life-long Tell City resident, Sergeant Glenn became the first woman to ever serve as a full-time police officer for the Tell City Police Department. Known for her love of people and animals alike, Sergeant Glenn left a legacy to model the standards of service and quality of life that we have come to expect and enjoy. *"It is not how she died that made her a hero, it is how she lived."*
