Stan Lagrange and Kelly Clark

Schweizer Fest favorites Stan LaGrange and Kelly Clark will again open the Brau Garten entertainment in 2022. Both of these local musicians bring with them a long musical resume of performance, songwriting and recording from here to Nashville and back. The acoustic duo's set covers a wide range of styles, and you're sure to be thoroughly entertained with their ingenious arrangements of pop and country songs from the sixties through today.

Stan and Kelly always give Wednesday night Brau Garten patrons a great taste of home-grown talent. How do two guys put out so much sound? *Band sponsored by Silver Sponsor TurnKey Realty & Property Management. Main Stage sound and light equipment is sponsored by ATTC Manufacturing and MasterBrand Cabinets.*
